Re: FOIA Request NLRB-2022-001912

Dear Mr. Dave Greco (Teichert):

This is in response to your request, under the Freedom of Information Act (FOIA), 5 U.S.C. § 552, received on September 20, 2022, in which you seek all documents regarding the certification of *Mathews Readymix*, Case No. 20-RC-015637. You assumed financial responsibility for the processing of your request in the amount of \$37.00.

We acknowledged your request on September 20, 2022.

Your request is granted in full, as explained below.

A search was conducted in the Agency's electronic casehandling system, NxGen, which generally maintains NLRB case records from 2011 to present. This search did not locate any responsive records.

Pursuant to the Agency's record retention and disposition policy, records are retained for a six-year period, which commences at the close of the calendar year during which the case is closed. The records are then destroyed, unless they are selected for permanent retention based on their legal significance. Given the age of the requested case, a further search was made of the list of permanently retained cases maintained by the Agency's Case Records Unit for cases that closed between 1982 and 2010, and it was confirmed that the requested case was not selected for permanent retention.

As part of our past practice of due diligence in searching for older records that pre-date our current electronic casehandling system, we also directed a search inquiry to the Agency's Region 20 office to conduct a manual search for potentially responsive paper records that may still be maintained. This search has located the Certification of Representative, dated August 8, 1983, from the requested case file, for a total of one page of responsive, releasable records, which is attached. No information has been withheld from the record. Your request is, therefore, granted in full.

For the purpose of assessing fees, we have placed you in Category A, commercial use requester. This category refers to requests “from or on behalf of a person who seeks information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is made, which can include furthering those interests through litigation.” NLRB Rules and Regulations, 29 C.F.R. § 102.117(d)(1)(v). Consistent with this fee category, you “will be assessed charges to recover the full direct costs of searching for, reviewing for release, and duplicating the records sought.” 29 C.F.R. § 102.117(d)(2)(ii)(A). Charges are \$9.25 per quarter-hour of professional time. 29 C.F.R. § 102.117(d)(2)(i).

One (1) hour of professional time were expended in searching for and reviewing for release the requested material. Accordingly, please remit \$37.00.
